NIA attaches one of PFI's largest arms, physical training centres in Kerala

The National Investigation Agency (NIA) has attached one of the oldest and largest arms and physical training centres of the banned Popular Front of India (PFI) in Kerala, an official said on Monday. This is the sixth PFI arms training centre and the 18th property of the outfit to be attached in Kerala as proceeds of terrorism' under the provisions of the Unlawful Activities (Prevention) Act, a spokesperson of the federal agency said here. The NIA, on March 17, filed a charge sheet against 59 accused, including the PFI as an organisation, in a case registered last year. "As part

tions in the case. NIA has now attached this training centre spread over 10 hectares. "The Green Valley Academy, Manjeri, Kerala is managed by Green Valley Foundation' (GVF) and was used by the cadres of National Development Front and subsequently by the PFI into which it merged," the spokesperson said. The agency said the PFI had been using the property for imparting arms training. physical training, and training on the use and testing of explosives to its cadres, identified as part of their Service Wing'. "The facility was also used to harbour several PFI Service Wing' members after they committed crimes, including murders. The centre was further being used to impart radical and rabid type of ideological training in PFI's divisive and communal agenda and policies to its trained operatives, cadres and members," the spokesperson said. The agency said offices of PFI and its frontal organisations were functioning from these premises under the guise of educational institutions.

The five other PFI training centres attached previously by NIA in Kerala were Malabar House, Periyar Valley, Valluvanad House, Karunya Charitable Trust and Trivandrum Education and Service Trust (TEST). Another 12 PFI offices, used by the outfit's leadership intermittently to organise training in arms and physical training, ideological propagation, and training for the commission of various crimes, including murders and terrorist acts, have also been attached. "NIA investigations have revealed that the PFI has been running many such training centres in the guise of charitable and educational trusts formed by the organisation's members or leaders. "Investigations have also revealed that the PFI had hired several buildings for running their training camps and activities relating to terror and violence," the spokesperson

NEW DELHI, AUG 1 /--/ The Lok Sabha on Tuesday passed

a Bill that allows the use of a birth certificate as a single

document for admission to an educational institution, issu-

ance of driving licence, preparation of voter list, Aadhaar

number, registration of marriage or appointment to a gov-

ernment job. The Registration of Births and Deaths (Amend-

ment) Bill, 2023 will also help create a national and state-

Union Minister of State for Home Nityanand Rai said re-

sponding to a brief debate on the Bill in Lok Sabha. The Bill

was passed amid vociferous protests by the Opposition on

the ethnic violence in Manipur and demands for a statement

by Prime Minister Narendra Modi in Parliament. Rai said

the Act has not been amended so far since its inception and

in order to keep pace with the societal change and techno-

logical advancements during the period of its operation and

to make it more citizen friendly, there is a need to amend the

Act. The Bill will facilitate insertion of provisions for digital

registration and electronic delivery of certificate of births

and deaths for the benefit of the public at large, to create a

national and state-level database of registered births and

deaths which would help in updating other databases result-

ing in efficient and transparent delivery of public services

and social benefits. The legislation will provide for use of

the birth certificate as a single document to prove the date

and place of birth of a person born on or after the date of

commencement of the Registration of Births and Deaths
